Love, lust, and commitment crash and scatter in this comedic masterpiece. From the stunning and provocative mind of Christina Stead comes the addictively blunt character of Letty Fox. Letty spins between New York City and London during her chaotic upbringing and entry into adulthood, which spans the Great Depression and the Second World War. She is determined to create a life for herself—one built upon equal parts work and play, men and sex—while her parents struggle with their own romantic entanglements. Frank and comedic like few characters before her (or since), Letty sets out to find a lasting, committed relationship amidst the buzz of Manhattan. With its vibrant characters and masterful voice, Letty Fox is a spirited coming-of-age story from one of the twentieth century's essential novelists.
